

## Remote Deposition Services

LNS is honored to have earned the trust and confidence of clients locally and nationally. We are pleased to provide solutions to allow clients to advance their cases during these challenging times.

Standard services include:

- Remote deposition platform via LNS Mobile/Zoom on your laptop/tablet/smartphone with latest security features to protect your proceedings
- Oregon Certified Shorthand Reporter (CSR), required to administer oath
- Consulting with attorneys and legal staff regarding remote technologies
- Distributing information regarding use of devices
- Distributing videoconference deposition connection info to all participants
- Consulting regarding remote exhibit-handling options
- Testing of equipment and internet connection with each participant
- Videoconference specialist launches each proceeding
- Videoconference specialist monitors proceedings and troubleshoots
- Remotely marking exhibits
- Screen sharing by all participants, if applicable
- Chat, with ability to transfer files during proceedings
- Virtual breakout rooms
- Transcripts, exhibits, and videos distributed via secure ShareFile link and available for download from LNS's secure web repository

Thank you for your trust and confidence. Stay healthy and safe. ***We're all in this together.***
